## Women in Christ

For some it is money and comfort. We are to be watchful for Christ's return as He said , but we also should be alert to the leading of the Lord in our daily lives.

## THE MIND OF CHRIST TRANSFORMING POWER THINKING HIS THOUGHTS TW HUNT

Whether we realize it or wish to admit it or not — what we think about, what we read, watch, and listen to shapes our mind and who we are and who we become. What we look at or listen to shapes us all the time. Imagine having the power to rise above our petty, contrary, and often harmful thought patterns to view our world and circumstances as Christ does.

## The Mind of Christ

As the founder of Wholly Loved Ministries, she and her team put on events at hosting churches designed to help women rest in their true worth and live with maximum impact. A sinner crowds God out of his thoughts. When we continually read and reflect on and take into our minds passages like Philippians 2:1-11, Colossians 3:1-17, or 1 First Corinthians 13 it will truly begin to change our life.

## THE MIND OF CHRIST TRANSFORMING POWER THINKING HIS THOUGHTS TW HUNT

While I was sometimes transported there by the author, I don't feel that I always understood the perception of Christ in his context. He is unmixed; nothing in Him contradicts anything else in His mind or His personality. If you knew they were leaving a Bible Study and were talking about Philippians — what difference would it make to what you thought and felt? But following his conversion to a new life with the Lord, everything changed.
