### MLA Documentation Guide

Do not justify the lines of text at the right margin; turn off any automatic hyphenation feature in your writing program. In a block quote, which is used when a large quote, of 4 lines or more, is added into a project. It should be written in quotation marks.

### MLA Format and Citation

An essay in a book or an article in a journal should include page numbers. You shouldn't make your title bold, italicized or underlined. It is important to cite these containers within containers so that your readers can find the exact source that you used.

### Guide to Writing Research Paper in MLA Style

More than just a new edition, this is a new MLA style.

### MLA Format Citation: Full Guide with Examples

Use the sentence: A total of 225 children were found in the warehouse, some malnourished and diseased.
