Unmasking Jinnah's secular mask

Few members of the and the had chosen Pakistan, resulting in staff shortages. The two dichotomous moves have exposed a simmering controversy within the government on the future of the godman.

Gandhi wanted Jinnah to be India's PM: Hindustan Times

The spontaneity and intensity of this response, like the electoral verdict three months before, surprised many political leaders in both east and west. The following day, all the PPP Assembly members assured Bhutto that they would resign en bloc if the National Assembly convened without them and also swore an oath on the Quran that they would support Bhutto without reservation in his negotiation of a political settlement with the Awami League. That made Muslims an all-India religious category and Jinnah said that they, therefore, needed to be given a share in power at the all-India level once the British had left.

Rediscovering Jinnah

This book is a very difficult read but the information in it is unimaginable! Tajuddin observed that this confirmed their darkest suspicions that West Pakistan would never hand over power to a party from the east.

War and Secession

Eventually, though, he bowed down to his stern father and qualified for the bar. The book provides only an aerial view of the story of India's partition but not the details.

Khan Abdul Wali Khan

The 1956 constitution imposed the preferences of West Pakistani groups over those of the east. According to a cable sent to the State Department by the U.

Khan Abdul Wali Khan

Because of the divisions within the PPP over the viability and legitimacy of the six points, Bhutto and his dominant group feared that the party would become factionalized and divided in a National Assembly in which the Awami League could extend positions and favors to selected groups in the opposition, even within the PPP. In turn, the country may have been saved from savagery of Partition that saw millions getting killed. As it turns out, Sulochana was actually an Iraqi Jew whose real name was Ruby Myers.
