What we would call the racial issue was then 'the native problem'. When Boer families first reached the area they discovered that the country had been devastated, in the northern parts by the chief and his in what was known as the , and also by the , in which three tribes roamed across the land attacking settled groups, absorbing them and their resources until they collapsed because of their sheer size.

## Africa and the United Kingdom

Presumably this, or some similar biographical note, has been interpreted to mean that Colenso was rewarded for his heretical views by promotion to the metropolitan see of South Africa. The British surrender Canada to the United States, but keep Newfoundland and the Labrador coast.

## Africa and the United Kingdom

Before the rush to discover diamonds, many of the indigenous people of Africa already used these diamonds as simple tools.
