The History of American Military Rank

Many in the crowd raised a 'three-finger' irredentist hand sign, meaning Vardar Macedonia, the 'Aegean part', and Pirin, and the 'O' from the word 'Obedineta' which means 'United' in the Slavic language that is spoken by the country's majority ethnos. Please don't take the dream of flying on Concorde away from those still striving to 'FLY'.

How did the OK sign become a symbol of white supremacy?

Concorde is by far the most beautiful commercial aeroplane to grace our skies, and it will be a sad day to see her fly no more. He speculated that, while the targets would be announced ahead of time and all the evacuated, but that the event would terrorize into pressuring their into immediate.
