Music

The second part of the thesis concerns the creation and testing of the New Integrative Kagok Notation NIKN , which combines the essentials of chōngganbo and Western staff notation, and provides a more effective vehicle for the transmission, transcription and recording of this art form, particularly for inexperienced, contemporary students.

The Comprehensive Catalogue Of Duet Literature For Female Voices

The composition has three sections that were compiled and edited in Ableton Live 8. The compiler has seen over two-thirds of the references.

Music

However, they emphasized beginning with resonance strategies such as widening the mouth and lowering the velum. Arguing that the female voice can be theorised as a resistant theatre material, which through its volatile nature can escape attempts at control, the work here develops practical strategies and methods for discovering how the voice eludes any easy identification or ownership as part of a feminist agenda.
