Surat Al Waqiah Arab Latin dan Terjemahan Indonesia

. After this, everyone will be given exactly what they earned with their deeds they will not be wronged! There is severe burning suffering for them. Nothing in the heavens the dimension of consciousness — angelic realm — the quantal dimension; the essence of matter and the earth dimension of matter — the body — the earth is hidden from Him because He comprises the essence of everything with His Names.

Sheekh Xasan Macalim Ibraahim Alwaajidi حفص عن عصم ،

In the end, your return is to Me. We give the consequences outcomes of the grateful ones the product of their evaluation. While Allah witnesses all your deeds, why do you deny or cover the existence of Allah in His signs the manifestations of His Names? And whoever turns back will not harm Allah! Even though you bore witness to the reality why do you avert the truth and turn the believers from the way of Allah? No one can help save those who do wrong to themselves! Allah is the Azim, the possessor of bounty.

Ali

. They want to give the good news to those who stayed behind and did not join them — that there is neither fear nor grief for them.

Surah 094 Al

Have you accepted and taken My heavy load upon yourselves? Allah has not wronged them, but it is they who wrong themselves.

Surah 094 Al

Severe suffering awaits them and no one will help them. There is also a group among those to whom the knowledge of reality has been given who prostrate and read and evaluate the signs of Allah throughout the night.

Surat Al Waqiah Arab Latin dan Terjemahan Indonesia

Do you not have the intellect to realize this? Protect yourselves duly from Allah as He will definitely subject you to the consequences of your deeds and die only as ones who have experienced submission. Those are the ones who will be emancipated. That which they withhold will be hung on their necks during the period of Doomsday! Allah does not like those who do wrong those who do not fulfill their duties to themselves and others.

Sheekh Xasan Macalim Ibraahim Alwaajidi حفص عن عصم ،

Certainly there is a great lesson in this for those with insight. However these are but transitory pleasures of the world. He also revealed the Furqan the ability to distinguish right from wrong, the good from the bad.
