## Main Currents in American Thought by Parrington Vernon Louis

While myth-and-symbolists scored debating points against national leaders, their descendants unmasked brute injustice in domestic and intimate no less than civic affairs. But all the important persons, leading bankers and promoters and business men, received invitations.

## Vernon Louis Parrington as Historical Ironist on JSTOR

America Seen from the Outside -- Topics, Models and Achievements in the Federal Republic of Germany. Vernon Louis Parrington 1871-1929 , n. The oldest line of methodological discussion in American Studies revolves around the promise of just such integration: Can or even should American Studies develop a method of its own? Intensely emotional, high strung and nervous, he was oversexed and overwrought, subject to ecstatic exaltations and, especially during his celibate years, given to seeing visions.

## Parrington, Vernon Louis (1871

The Intellectual Construction of America: Exceptionalism and Identity from 1492 to 1800. He was surrounded by the English countryside and robust gardens he loved.

## America Studies Approaches and Concepts

That pattern would be reflected in the unique design of Main Currents.

## Paradigm Dramas Revisited: Reflections on the History of American Studies

To escape this unaccustomed hubbub, and to continue work on Main Currents, Parrington took his wife Julia and son Vernon to the quaint village of Winchcomb, England. A full academic infrastructure -- curriculum, scholarly associations, journals, departments or programs, publication series,

and professional positions specific to the field -- took another twenty years to develop. The lesson is often excruciatingly fatalistic and condescending.

### **Main Currents in American Thought (豆瓣)**

A wonderful account of the genesis and development in American letters of certain germinal ideas that have come to be reckoned traditionally American-how they came into being here, how they were opposed, and what influence they have exerted in determining the form and scope of our ideals and institutions. Book in good plus condition with solid dark blue cloth boards and gold lettering on spine.
