The World's Great Chess Games

A kind of war weariness has set in. This is the standard American conservative narrative; I was not at all surprised to read it.

The Forgotten Man: Understanding the Male Psyche

Or would they cringe and run? In the best situation, these men--peers or paternal objects--see the male as worthy of care, welcome him into the masculine community, and commune with him there. Because these women are usually higher value, less defensive, and more radiant because of the lowered stress that comes from understanding men. Sifting through some 15,000 letters from government and private sources, Robert McElvaine has culled nearly 200 communications that best show the problems, thoughts, and emotions of ordinary people during this time.

The Jungian Model of the Psyche

I had always been curious ab This was a tremendously informative book about the Great Depression.

Evan Thomas: Why We Love War

Although there is no silver bullet when it comes to understanding men there are definite principles that I hope will help you reconsider your approach to the men around you. The internal threats may include being aware of disturbing tender feelings: experiencing needs for emotional connection or to be soothed in troubled times or feeling a sense of fraud that he has secretly failed at the initial masculine task.
