Further, in October 1989, the Baptist community held its first monthlong Bible course in Moscow, with twenty participants from all over the USSR.

## Religious Policy in the Soviet Union

Sredi mnogix lyudey zhilo ubezhdenie, chto ya prinoshu schaste tem, kto imeet so mnoy delo.

## Молдова обвинява Русия за намеса в изборите

Sharing with us his vision and experience, Dr Pinchas Agmon played a very significant role in organizing the Tel Aviv workshop. As in the late 1930s, the perception was growing that severe persecution had simply driven believers underground rather than eliminate them altogether. Both the vocational and academic tracks provided students with the opportunity of social and economic advancement.

## Народни парламент

The above measures were accompanied by bloody terror against Orthodox clergy, which began promptly after the October seizure of power, and which impelled Patriarch Tikhon, a few days before the Decree of 23 January 1918, to anathematise the Bolsheviks. One element in this was a genuine hostility towards religion, particularly as institutionalised in the Russian Orthodox Church.
