The lost chronicles of the Maya kings (Book, 2000) [satis.farmjournal.com]

Unfortunately a ring of cutthroat treasure-hunters has something to do with the missing trio of excavators. Available in PDF, ePub and Kindle. He did a good job with this book.

The Lost Chronicles of the Maya Kings : David Drew : 9780520226128

The death and rebirth of Maya civilization -- ch.

Chronicle of the Maya Kings and Queens:... book by Simon Martin

Better materials are out there, but librarians simply have not This is volume 12 2014 of Interpreter: A Journal of Mormon Scripture published by The Interpreter Foundation. I am curious to read more about this particular city in a book by Grant Jones. Behind immense, ruined cities, and abandoned artworks deep in the rainforests of Central America lie the turbulent stories of the Maya monarchy.

The Lost Chronicles of the Maya Kings

I found two things in this book that were particularly fascinating. I am glad I own it, have read it, and am happy to recommend it to others as a one volume look at the broad scope of our understanding of this amazing culture.

The lost chronicles of the Maya kings (Book, 2000) [satis.farmjournal.com]

Slow to read but I did enjoy it.

No Bad Days (2008)

The systematic presentation of information on the rulers especially the listing of names used previously by other Maya historians and archaeologists will be of incredible utility to anyone trying to understand Maya history. Among all the ancient peoples of the Americas, the intellectual achievements of the Maya were the most astonishing - in maths, astronomy and calendrics, and above all in their system of hieroglyphic writing.

Then six chapters cover as many peripheral cities with full records like Palenque and Copan , concluding with the fall of the kings.

Chronicle of the Maya Kings and Queens: Deciphering the Dynasties of the ...

Fascinating and in depth look at the Maya civilisation, its history, culture, society and beliefs as far as they are known. Across much of present-day Mexico, Guatemala, Belize and Honduras, dozens of their great cities have now been located, many still buried in remote parts of the jungle. This book is a very good quick reference guide for those who do not want to wade through huge blocks of history text to get to the information you need.

The lost chronicles of the Maya kings (Book, 2000) [satis.farmjournal.com]

From reliefs on temple walls, from magnificent hieroglyphic stairways and from stone stelae planted by Maya rulers in the plazas of their cities, has come written history: the Chronicles of the Maya Kings. A useful bibliography and name not topic index complete the book. This book is not intended as a guide to famous ruins nor does it deal with the popular subject of Maya religion and cosmos. He examines Maya political systems, their achievements in art and architecture and stresses that they are not a lost or dead people.
