Making Strides on Diversity and Inclusion in Aviation

Thought leaders in the Silicon Republic community discuss prioritising diversity and equality for the STEM workforce of the future. Part of the rationale for the new rules, Nasdaq officials said, was an analysis of over two dozen studies that found an association between diverse boards and better corporate governance and financial performance. Similarly, diversity breeds more creative and innovative approaches to business.

Gender and diversity

The Americans with Disabilities Act prohibits asking directly, but interviewers need to know if the applicant can perform the job duties. At Workhuman, employee resource groups ERGs have been a useful way to drive diversity and inclusion initiatives. The same differential shows up in advancement and retention—48% of women in IG said that retention is a problem, versus 40% for the full group of female respondents.

How Companies Can Tap Into Diversity and Add Value

The industry includes airframe, space, and defense OEMs and suppliers, but not airlines or operators. What about people from various cultural and religious backgrounds? Rather than launching feel-good measures, they should conduct diversity programs with a clear business case and an explicit strategy for achieving their goals.

Corporate Board Diversity: Moving Beyond Lip Service

A long way to go for women in aviation On a wider scale, has revealed that gender parity will not be attained for another 99.

How Companies Can Tap Into Diversity and Add Value

The Hyderabad Swabhimana Yatra Pride Parade drew close to 200 people, larger than in past years, according to the Indian Express.

How Women Can Help Close the Talent Gap in Aerospace and Defense

Instead, companies need to go public with their diversity goals and with their progress in achieving those goals over time. The new lease agreement gave Rhee immediate options as aviation commissioner to consider minority- and women-owned service businesses using city bid incentives , which were opened up to South and West Side firms located where income and employment are lagging.
