### IAAPA, The Global Association for the Attractions Industry

Thanks for article, really really useful! Hi Tom and readers, Does anyone out there have any experience with or notion of what to do with the following problem? It has shorter chainstays than my old galaxy but still has plenty of heel clearance fitted with ortlieb classic panniers. Ridgeback Panorama 2021 UK, £1,500 The is a UK-designed, Reynolds 725 cromoly-framed, disc brake-equipped, premium touring bike with a durable selection of 3x9sp drivetrain components from both road- and mountain-biking ranges. It does seem unusual that one of the most reputable high-end touring bikes would develop such a fault in the first place, however.

### Cargo Bikes: A Complete Guide for the USA and Canada

I am loving the Sutra. My 22 year old daughter, who lives in Brooklyn, just asked me if it was worth fixing up how much? Read More With the recent global boom in e-bikes, cargo bike manufacturers are realizing the potential of electric-assist to make cargo biking viable not just for the super-fit or enthusiast crowd, but for anyone in any geography. By Post Author Tom, for my 21st birthday I got a Cannondale T1000, 22 years and 15000 miles later low mileage bike it is going strong.

### South America Tours □ 15 Incredible Vacation & Tour Packages

Lose the touring gear, and you have a wonderful full purpose bike. Sometimes its just not about the bike.

### South America Tours □ 15 Incredible Vacation & Tour Packages

Storage Storage is a big one for cargo bikes, which are both heavy and attractive to thieves. The message I take from this section of your blog, not to mention many other bicycle related blogs and websites, is that bicycle touring is a growing phenomenon and that it is rich with variety, in both equipment and people.

### **Latin America & Caribbean**

But if you live in a hilly area or regularly travel with a lot of gear, the e-assist could be the difference between whether you adopt cargo biking into your regular routine, or relegate the thing to a life collecting dust in the garage as a brief but failed experiment. I use SKF bracket spindle but have cheaper headset but works fine for years now. More Globally-Available Premium Touring Bikes The following bikes from have been recommended by my blog readers as also fitting this category.
