Numerous evangelical scholars combine their insights to present the best of a Bible handbook and a theological study. A similar distinction probably holds in the third passage that Marc cites: And when they had appointed elders for them in every church, with prayer and fasting they committed them to the Lord in whom they had believed. The Bible is like a small library that contains many books written by numerous authors.

Do the disciples pray to the Lord Jesus in Acts?

My point is not so much that it detracts but that these two types of interaction vision and prophetic service are much more significant in Acts than the debatable idea that the disciples prayed to Jesus. Visions of the risen Lord We certainly see in Acts the disciples and Paul interacting verbally with the risen Lord Jesus in visions. George Beasley-Murray On John 21:17 : By this time all the old self-confidence and assertiveness manifest in Peter before the crucifixion of Jesus had drained away. One should not, however, conclude that Acts is overly simple.

A Handbook on the Acts the Apostles

A verse-by-verse analysis and commentary on the Acts of the Apostles by recognized biblical translation experts. In contrast with the Synoptic Gospels Matthew, Mark, and Luke, Acts does not confront the translator with the serious difficulty of representing accurately both the similarities and differences in the parallel passages.
