Black metropolis: a study of Negro life in a northern city [Vol. 2] on eHRAF World Cultures

¡Excelente servicio al cliente y satisfacción 100% garantizada! It appeared at the beginning of a new postwar awareness of the evils of racial prejudice and did much to call attention to the plight of the African American. Ground-breaking when first published in 1945, Black Metropolis remains a landmark study of race and urban life. Step 2 Once done with writing your paper we will upload it to your account on our website and also forward a copy to your email.
