Making the World Safer from Pandemic Threats: A New Agenda for Global Health Security

And Focus on the Family, like Rick Warren, should state clearly where it stands on the issue.

WTO Protests in Seattle, 1999 — Global Issues

As the Center for Science and Environment CSE points out, the carbon emission level of one US citizen in 1996 was equal to that of 19 Indians, 30 Pakistanis, 17 Maldivians, 49 Sri Lankans, 107 Bangladeshis, 134 Bhutanese, or 269 Nepalis. Special and differential treatment A recognition that developing countries may require positive discrimination because of historic unequal trade.

A Comprehensive Guide to the WTO. Some environmental groups and citizens groups which have long but unsuccessfully courted labor, have, in turn, endorsed the campaign because they see it as the perfect opportunity to build bridges to the AFL-CIO.

FWD: Dangerous Liaisons...

Often the tuna is processed and canned in an one of these countries. The unilateralist anti-China trade campaign enmeshes many progressive groups in the US in an unholy alliance with the right wing that, among other things, advances the Pentagon's grand strategy to contain China. Second, the anti-China trade campaign reeks of double standards.
