## Bloch J. Indo

The early layers of the Vedas do not mention the doctrine of and rebirth but mention the belief in an. Some of these might have needed full-time specialists.

## Bloch J. Indo

The later Vedic texts such as the Aranyakas and the Upanisads show a different soteriology based on reincarnation, they show little concern with ancestor rites, and they begin to philosophically interpret the earlier rituals. The Indo-European Tripolye culture which thrived in what is today Ukraine and the lands of the Dnieper River, had a strong horse culture in which the people were heavily reliant on copper to build their wagons and vehicles of war. This the J ainas denoted by a y called ya-sruti, which has in fact left traces on the adjoining vowels in certain languages, e.

## The Ancient Aryans And Mankind's Destructive Spiral Into Paganism

The Brahmins continue the ancient Śrauta rituals.

## The Vedas

Just as in the Rigveda, the early sections of Samaveda typically begin with hymns to Agni and Indra but shift to the abstract. .

## Vedic period

The period of the , the final phase of the Vedic era, was approximately contemporaneous with a new wave of state formations, linked to the beginning of urbanization in the Ganges Valley: along with the growth of population and trade networks, these social and economic changes put pressure on older ways of life, setting the stage for the Upanishads and the subsequent movements, and the end of the Vedic Period, which was followed by the period.
