## Origins of the Mafia

This knowledge could be very salutary. But adolescents cannot take the place of parents as socializing agents because they have little or no investment in the outcome, and are less likely to recognize deviant behavior.

## Chaos Quotes (839 quotes)

Failing such open and varied interpretations, a law making body would have to pass billions of laws to cover even the simplest kind of theft if it were to presume a precision close to that of newtonian mechanics, i. First of all, it's been in limbo for two years; and that is especially bad when you consider that the film has enough stars to secure itself a release.
