George Washington

According to Julian Niemcewicz, a Polish visitor to the estate, it distilled a year. George also founded started the offices of the Presidential Cabinet. When the couple arrived at Mount Vernon, Washington quickly settled into the routine he had always practiced while living there.

George Washington—Facts, Information and History on the Life of the 1st U.S. President

Washington pasó a ser uno de los hombres más ricos de Virginia, y como tal actuaba: pronto se distinguió en los asuntos de la comunidad, fue un activo miembro de la Iglesia episcopal y se postuló como candidato, en 1755, a la Cámara de los Burgueses del distrito. . Poco se sabe de la infancia del futuro presidente, salvo que sus padres lo destinaban a una existencia de colono y por ello no fue más allá de las escuelas rurales de aquel tiempo: entre los siete y los quince años estudió de modo irregular, primero con el sacristán de la iglesia local y luego con un maestro llamado Williams.

George Washington's Life · George Washington's Mount Vernon

George read mathematical texts to learn the geometric principles necessary for surveying.
