Traditionist Internal Reform: Motives behind the Birth of the First Manual of ‘Ulūm al

It could be stated that the debates focus on how the ḥadīths should be understood, or whether it is the explicit meaning of the words or the possible metaphorical meanings beyond them that should be considered. Cairo: Dār al-Kutub al-Misriyyah, 1964. In addition to this, the debate also contains important information on the approach to the Qur’ānic verses and ḥadīths, in that it shows two basic approaches, one of which represents the school of Ahl al-Ra’y, and the other represents the school of Ahl al-Ḥadīth.
