**The Coins of Alexander the Great**

Usually there is a color bleed through from one color to the other, or there is too much impurity to start with to permit such a drastic color change. Through scholarly investigation of common coin styles and a little Indiana Jones deciphering, most coins can be placed into a specific date range and assigned to a particular city or region. He was taught the basics of philosophy, medicine, morals, logic, ethics and art, with the help of one of the worlds most intellectual minds.
