## Rethinking multiculturalism: cultural diversity and political theory by Parekh, Bhikhu C

Multicultural thinkers argue that social equality is enhanced when governments explicitly recognize cultural minorities, valorize pluralism, and accommodate the cultural needs of groups. Kolodziejczyk says that many of Parekh's ideas do attempt to bring new ideas and perspectives, but not all of them in practice will work the way he intends.

## Rethinking Multiculturalism: Cultural Diversity and Political Theory

Organisation for Economic Co-operation and Development. The ideas of these theorists have been consequential since many have taken an active role in public debates.

## Rethinking multiculturalism: cultural diversity and political theory by Parekh, Bhikhu C

The evidence from these indices indicates that, despite Chancellor Merkel's reproach of multiculturalism, Germany is not a country of strong multicultural policies. Charles Taylor served as co-chair on the Quebec government's Consultation Commission on Accommodation Practices Related to Cultural Differences in 2007, while Bhikhu Parekh headed the Runnymede Commission on the Future of Multi-Ethnic Britain from 1998 to 2000. Keith Banting and Will Kymlicka of Queen's University in Ontario, Canada, have constructed a multiculturalism policy index MCP Index that measures the extent to which eight types of policies appear in 21 Western nations.

## The Debate Over Multiculturalism: Philosophy, Politics, and Policy

In his speech, Cameron called in part on a vision of classical Western liberalism predicated on universalism and individual equality.

## The Debate Over Multiculturalism: Philosophy, Politics, and Policy

Even if multiculturalism increases immigrants' civic attachment and sense of inclusion, the negative perception of multiculturalism by certain politicians and right-wing parties in various European countries suggests that some people are very alarmed about diversity. The philosophy of multiculturalism is a general orientation than can be held by people, institutions, and governments, but it also refers to a particular set of philosophical ideas advanced by political theorists. In *Multiculturalism and the Welfare State: Recognition and Redistribution in Contemporary Democracies*, eds.

### **The Debate Over Multiculturalism: Philosophy, Politics, and Policy**

In the text, Parekh approaches cultural diversity as a value, not a fact in Britain's diverse environment.

### **Rethinking Multiculturalism**

Conceptual differences over the meaning of multiculturalism often lead to confusion and outright misunderstanding when people debate its challenges and benefits.
