Unfortunately, because it was late at night, he'd fall asleep too. Lick lick lick lick lick! The series is named after , a system in the constellation and one of the in the nighttime sky. Also getting to hear that amazing OP and ED again was great.

Katou Masami

I honestly wish that our report will serve as any assistance in turning this circumstance to a better direction as fast as possible. Based on an analysis of these texts I argue that at least two of the three pioneers of Japanese animation somewhat overstated their own ingenuity and the obstacles they had to overcome in developing these techniques respectively.
