## Local Governments and Rural Development: Comparing Lessons from Brazil ...

Students who take Law and Development Course are expected to gain the basic knowledge of law and political, economic and social development problems, as well as of law and international cooperation, and deepen their theoretical understanding of institutional and cultural aspects of law. Women farmers typically have less access to irrigation technology. Experts blame excessively centralized public administrations for the lackluster performance of public policy initiatives.

## Local Governments and Rural Development: Comparing Lessons from Brazil ...

Its aim is to give students the basic knowledge and perspectives to understand the law-making, law application and law enforcement process of international law. Based on interviews with more than 1,200 mayors, local officials, and farmers in 390 municipal territories in four Latin American nations, the authors analyze the ways in which different forms of decentralization affect the governance arrangements for rural development. On the ground. Between 2009 and 2011, in eight districts, their participation grew from 2,800 to more than 14,000.

## Participation of Rural Poor in Government and NGO Programmes: A Comparative Study

They find that local-government actors contribute to public services that better assist the rural poor when local actors cooperate to develop their own institutional arrangements for participatory planning, horizontal learning, and the joint production of services.

## [PDF] The Role of Non

We first address the puzzle of collective action as the limit of self-government, and then discuss how institution has become one of the fundamental perspectives to understand politics. We will discuss the different forms of political representation and participation, the factors and conditions related to the collective action, and the variety of relationship between governmental elites and population. Many Dalit women now have bank accounts in their names and are unionized to defend their rights.
