William Butler Yeats

A few months after the poet's approach to Maud, he proposed to Iseult, but was rejected. In October 1881, Yeats resumed his education at Dublin's Erasmus Smith High School. When his life was threatened by a fever in 1874, he returned to England to recover.

William Boleyn

While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. The couple went on to have two children, Anne and Michael. Besides, it must needs take a personal form in their minds and give to those minds the timidity of discoverers, not less than the courtesy of soldiers.
