### Memorable Quotes from Camus' 'The Plague'

Dogs and cats may also bring plague-infected fleas into the home. Ben Lauer is the web producer.

### The Plague and I by Betty MacDonald

I've been in bed with flu for a week or so, and this book made me laugh out loud.

### The Plague and I (Betty MacDonald Memoirs, #2) by Betty MacDonald

Relation of adverse clinical reactions to multiple immunizations with killed virus.

### Ecology and Transmission

Betty MacDonald was a national treasure, and I can't believe that her books don't get more attention. The last urban outbreak of rat-associated plague in the United States occurred in Los Angeles in 1924-1925.

### Plague Vaccine

If these bacteria-containing droplets are breathed in by another person they can cause. When Betty got a job offer at the end of the story.

### The Plague and I (Betty MacDonald Memoirs, #2) by Betty MacDonald

You start to care about those patients at The Pines.
