### Cassell's spelling dictionary. (1985 edition)

Avoid series that cross authors, unless the authors were or became aware of the series identification eg. Given that the term dog whistle has been around for over 200 years, it seems odd that it only developed a figurative sense recently.

### Cassell's Latin Dictionary

Clerics, students and general readers of the classics use this volume more than any other. Words indicate definitions, declension or conjugation as appropriate, and some pronunciation guides. For more information, read our Instructions.

### How to pronounce cassel

This Latin dictionary is among the best of its kind, reliable, compact and adequate for the needs of all save the specialist. In 1840 there were 20 Cassell families living in Ohio. Latin equivalent words are taken largely from Cicero, Caesar and Livy, with some additions from legal and ecclesiastical Latin.

Mottoes seldom form part of the grant of arms: Under most heraldic authorities, a motto is an optional component of the coat of arms, and can be added to or changed at will; many families have chosen not to display a motto. He has produced what is in effect a new book, typographically easy to consult and combining elegance with utility.
