Research capacity and initial teacher education reform: Irish experiences, international perspectives

His research interests are in comparative political economy and multi-level governance. You could be forgiven for not having heard of the. The evidence indicates a considerable mismatch between policy intentions and teacher educators' current capacities.

Planning and developing tourism within a public sector quagmire: Lessons from and for small countries

Sir Gillen does not agree that it is reasonable to protect the anonymity of those accused of sexual offences up to the point of conviction.

However, on 5 December 2016, the Cabinet Office finally published the , setting out its proposals for bringing together the responsibilities of the current Parliamentary and Health Service Ombudsman PHSO and the Local Government and Social Care Ombudsman LGSCO to create a new organisation with strengthened governance and accountability for complaints about public services in England and the UK reserved to Westminster.

Could the Gillen Review do more for the falsely accused?

For him, uncertainty continues as to whether policy areas are located inside or outside the sphere of EU power. Carol Harlow London School of Economics argued that we should not let the past write-off something new; the draft Bill is part of the past and relies on reforms proposed 7-10 years ago.

Planning and developing tourism within a public sector quagmire: Lessons from and for small countries

And the deficit in education complaints, for which there is no ombud, needs to be addressed. He cited the innovative changes in Scotland, Wales and Northern Ireland, and the evolution of the ombud in other parts of the world where it has an explicit human rights role, as models of alternative ways to proceed with reform in England and the UK reserved to Westminster. Many, for example, saw immigration as a key issue around which

the leave campaign did revolve.

Could the Gillen Review do more for the falsely accused?

Furthermore, without affinity to European subsidiarity, the devolution of Scotland, Wales and Northern Ireland was mainly interpreted as the hollowing out of the British state rather than as a step towards democratic reform and the successful accommodation of sub-nationalisms within the UK. Three major teaching unions — INTO the Irish National Teachers' Organisation, the UTU Ulster Teachers' Union and NASUWT the National Association of Schoolmasters Union of Women Teachers — appear to be moving towards supporting an end to the exemption.

Introducing Varieties of European Subsidiarity

If central government is unable to attract foreign investments, experiences a financial crisis or is forced to introduce austerity measures, the passing on of government responsibilities and costs to local and sub-national entities becomes an appealing strategy Kahler and Lake 2003, 421. Paula Waldron MoJ noted that while Cabinet Office leads on Ombudsman policy, MoJ have an interest in the wider administrative landscape.
