The South Yorkshire Metropolitan Ambulance and Paramedic Service National Health Service Trust (Transfer of Trust Property) Order 1994

Most were clustered in the southeast. By modern standards, the fire and ambulance services were hopelessly inadequately equipped, and were untrained to keep trapped people alive.

United Kingdom Of Great Britain And Northern Ireland

For example, although contract law is central to any business law course, to study it on its own, or with a few ancillary topics, is not sufficient. For historic reasons GPs had always been powerful within it; they were many and they provided much of its money.
