## U.S. Relations With Japan

Finally, as part of this rebalance, we have deepened our people-to-people ties—expanding educational and exchange opportunities for scholars and innovators, creating the YSEALI community, now 50,000 strong, to connect dynamic young people throughout ASEAN to the United States and to each other. Even so, they suggest some interesting comparisons that need to be analyzed.

This project has now been expanded to include Japanese investment in Brazil and Chile.

## Japan, the United States, and Latin America: Toward a Trilateral Relationship in the Western Hemisphere?

Even now Japan accounts for only 6 per cent of Mexico's foreign investment. A Western Hemisphere Trade Bloc An increasingly influential analysis of the international political economy suggests that the world will be broken up into three trade blocs: Europe, East Asia, and the Americas, led respectively by Germany, Japan, and the United States. Distorted Development: Mexico in the World Economy.

U.S.

In Japan, the Diet has become more hesitant to appropriate money for foreign aid, and the Ministry of International Trade and Industry MITI} has conflicts with other ministries because of its close relations with Japanese firms.

U.S.

In support of these stronger ties, I have been honored to convene the first-ever trilateral meetings at my level, which have proved productive on a great range of issues, and it is a process that we will continue throughout the remainder of this year. Two are based on the notion of rivalry between the United States and Japan. Over the last seven years, we have rebalanced to Asia by deepening our ties and strengthening a rules-

based, norms-based, institutions-based order that is addressing regional and, increasingly, global challenges.

**Vol. 29, No. 3, 1994 of Latin American Research Review on JSTOR**

A striking point about all three models is their concentration on what Japan and the United States will do with respect to Latin America, giving very little emphasis to Latin American desires and initiatives. Other countries of particular interest to Japan included Peru, Venezuela, and Mexico. Many other non-governmental organizations, such as the U.
