Review: Dark Side of History

However, contrary to Kramnick and Moores opinion, Williams was not inventing a godless politics. He immediately applied to his God by prayer, and so gave himself ease.

Christian views on poverty and wealth

Others like Justice Brennan say that the meaning of the Constitution is evolving, changing according to what it means in our time. A vast majority of early American laws did not have a strict secular purpose; the laws, especially federal laws, did not advance or inhibit one denomination of religion, but they did favor Christianity simply because that was the traditional religion from which the moral and legal basis of this country came. He hoped to see them flee.

Decline and Fall of the Roman Empire, Vol. 2: Chapter XVI: Conduct Towards The Christians, From Nero To Constantine. Part I.

The favorable influence of the temporal prosperity of America upon the institutions of that country has been so often described by others, and adverted to by myself, that I shall not enlarge upon it beyond the addition of a few facts. This we may see in the course that Jeremiah took when he met with this hard usage.

Review: Dark Side of History

See Basnage, Histoire des Juifs, l. The legitimate powers of government extend to such acts only as are injurious to others. The two jurisdictions have remained separate since the beginning.

How Did the Enlightenment Impact the Church?

About fourscore years after the death of Christ, his innocent disciples were punished with death by the sentence of a proconsul of the most amiable and philosophic character, and according to the laws of an emperor distinguished by the wisdom and justice of his general administration.
