37 Turn of the Century interior design ideas

How do you squeeze a queen bed into a bedroom the size of a closet? Visible structural details such as vaulted ceilings, exposed rafters, give this home undeniable character, while an airy layout makes it extremely livable.

Small House Plans

The toilet is housed in a closet-sized shed, located outside behind the scullery. Victorian house plans beg to be spookily dressed up for the beloved, candy-filled holiday. These homes can usually be spotted because of the horizontal lines, low pitched gable roofs with large overhangs, exposed beams, wide window casings, and a welcoming, elevated.
