## Biden called on to defend ally from China's 'authoritarian' policies

In Independent Ally, Shannon Tow challenges this prevailing view. First, foreign aid can be used to maintain nations as allies.

## Foreign Aid as Foreign Policy Tool

However, the TNI leadership is more concerned with domestic problems. Other criticism include the flooding of the African markets with low-cost Chinese-made products, thus harming the growth and the survival of local industries and businesses.

## information

Bangladesh has also signed the Apsco convention with six other nations to form a pact with China on space exploration. Research by Fuchs and Vadlamannati confirms that assistance from non-DAC donors is even more self-interested than aid from DAC donors.

## Foreign relations of China

Two other significant aid donors are also aid recipients: India and Brazil. This means that the costs and responsibilities for resolving global issues of poverty or disease eradication are not the burden of one country but based on the ability to pay. In order to stay up to date, the best place to get accurate information is on the website.

## Australian Financial Review

Indonesian strategic culture, then, is not immutable. I worked with your father, Bill, during his time on the Foreign Affairs Council and the two of you seem to share not only an interest in Australia's big strategic issues, but also the rigour and judgement to help make sense of them.
