Qum: Mu'assasat Āl al-Bayt li Ihya' al-Turāth.

A Review and Criticism of Wahba Zuḥaylī's Method in al

We also argue against the widespread notion that Ash'arīs espoused an anti-rationalist ethics, and we show that they were not only ethical rationalists, but also the more innovative side in this debate. Al-Ghazālī and al-Rāzī countered Mu'tazilī ethical realism, here defended by al-Malāḥimī, by developing an emotive subjectivism underpinned by increasingly sophisticated psychological accounts of ethical motivation.
