your school if you have questions about the available options. The state reimburses districts for those costs through the regular school transportation grant.

Pupil Transportation

For purposes of this section, a pupil is defined as a student at or below the 12th grade level who is being transported to a mandated school activity. Drivers are expected to keep their buses clean at all times. Any transportation to a school, other than a public school, shall be pursuant to the same rules and regulations promulgated by the State board as governs transportation to any public school.

Wisconsin Legislature: School — Transportation of pupils

Bus drivers have full authority over the bus and its passengers in route to and from school and during loading and unloading.
