Invitation to Philosophy : Issues and Options by Thomas C. Hunt, Stanley

M. Honer and Dennis L. Okholm (2001, Trade Paperback) for sale online

A continuum helps students see the options available to answer a variety of basic questions and the relationship each option has to the others. In the late 1980's Jackson Community College Jackson, Michigan required this book as one of two texts for their introductory philosophy course.

Invitation to Philosophy: Issues and Options by Stanley M. Honer

Invitation provides the intro student with pretty fantastic definitions while, as fully as a intro text can, filling out the spectrum on many of the major issues philosophy addresses. The options found on the continuum are discussed and followed by a case study drawn from contemporary life that helps students to apply the options. Invitation TO philosophy has already helped nearly half a million readers understand major philosophical topics.
