The Napoleonic Source Book

Britain's sea soldiers : a history of the Royal Marines and their predecessors and of their services in action, ashore and afloat, and upon sundry other occasions of moment.

The French Revolution and Napoleon: A Sourcebook

I would very much recommend the 1810 Miscellany as well, for the same game. With this in mind, fifty companies of marines were authorized divided into three divisions based at Chatham, Portsmouth and Plymouth.

Per Mare Per Terram

In 1747, the deployment aboard ship was usually at a ratio of one marine per gun with officers. They first saw service with the Boulogne Squadron and then at Copenhagen 1807.

The Napoleonic Source Book

In 1799 its establishment reached 22,716 men and between 1800 and 1801 it reach 24,200.

Jim's Wargames Workbench: The Napoleonic Sourcebook

. Over 50 pages is devoted to the campaigns, the same for weapons and practice, over 40 for biographies of major players, and the rest for armies and natives of combatants.
