## Diogenes

Cynicism as a philosophical movement lasted approximately 900 years, commencing in the 5th century BC with Diogenes. Finally, excellence is to be obtained by methodical training, or asceticism.

### Diogenes the Cynic didn't give a fuck

The modern meaning of the word cynicism is very different from the classical or ancient meaning of the word, and to differentiate the two scholars capitalize the word Cynic or Cynicism when referring to Ancient Cynicism. Diogenes disliked this, telling people who called him mad that he simply thought differently to them. One day when a few people were throwing bones at Diogenes as they would to a dog, he got up and urinated on them.

### Diogenes the Cynic

He thought that happiness could be attained not by satiating the desires inculcated into us via the process of socialization, i. He was also seen rolling around in the scorching hot sand on a blistering day, or walking barefoot in the snow.

## Diogenes

Diogenes is the subject of numerous stories, one of which depicts his behaviour upon being sold into. Paradoxically, Diogenes believed that by seeking out and enduring pain and hardship he was actually living the most pleasurable life possible. He would frequently walk backwards through the streets and enter theaters at the end of performances when everyone was leaving.

## **Diogenes**

In order to live such a good life, Diogenes thought it was necessary to disregard all social norms and instead to live according to nature. An ancient Greek philosopher who spent almost his entire life telling everyone he met to suck the majority of his freely hanging dong.

## **Diogenes**

It was by personal example rather than any system of thought that Diogenes conveyed the Cynic. It was by personal example rather than any coherent system of thought that Diogenes conveyed the Cynic philosophy. His happiness was solely in his own hands.

## **Diogenes the Cynic**

Also known as Diogenes the Cynic.

## **Diogenes the Cynic**

Instead, he believed that human beings are by nature good and virtuous, but that they are corrupted by the artificial social norms, customs, practices, and values which are inculcated into them via the process of socialization. Like the modern cynic, the Ancient Cynic, as exemplified by Diogenes, did not think very highly of the general run of mankind. Instead, Diogenes expressed his ideas through his actions and in the conversations he had with his fellow citizens.
