Every Leader Is an Artist

You will not find many successful leaders who are pessimistic. It's pretty short overall maybe like 4 hours or something so not a big commitment.

Leadership Is an Art by Max Depree: 9780385512466

Thanks again, Gordon, for sharing your thoughts on this piece. Additionally, even small progress is still progress. Although I agree with many of his statements, the book's structure seemed random, without a clear direction.

Leadership Is an Art: Max De Pree: 9780385512466

Do they facilitate personal reflection about who one is, what is most important, what is culturally valuable, and what is possible? The ELT suggests that leadership skills emerge as a result of continuous observation and experimentation.

Leadership Is an Art by Max Depree: 9780385512466

The title of this unusual book announces the very nature of the resource.

Leadership Is an Art by Max Depree: 9780385512466

The message is authentic and great, but in the end, the book was rather forgettable.

Is Leadership an Art or a Science?

Thanks Jim for adding your thoughts to this wonderful discussion. A concise and well-supported treatise of leading in ways that empower employees broad profit sharing to encourage a sense of ownership and leading with humility, as a first-servant in the corporation. Do they demonstrate mastery or virtuosity in critical aspects of business; do they possess a foundation for understanding people, organizations, and the way work is accomplished? There are the skilled and bureaucratic technicians who manage numbers and sheets of paper, and who attempt to orchestrate every conceivable employee behavior through a carefully planned and rigid set of rules, compensation designs, policies, and

organizational structures.
