**Medieval Islam : a study in cultural orientation (eBook, 1953) [satis.farmjournal.com]**

Printed in the United States of America PREFACE r I THIS book has grown out of a series of public lectures de-J-livered in the spring of 1945 in the Division of the Humani ties of the University of Chicago. He stated that it was true that each planet had some influence on the earth, but his argument was the difficulty of astrologers being able to determine the exact effect of it.
