Light of Day

I feel I have a good idea what their struggle was like.

Light of Day Foundation

It is a story inescapably intertwined not only in the daily horrors of the Holocaust, but also revelatory of the conflicting views on how to react, from political controversies to ethical dilemmas, between fight or flight, collaboration or resistance, aid or profit in the face of human despair, and many other critical life or death choices. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth. In the midst of it all, the women whose accomplishments fill this book confronted these choices head-on.

Light of Day Organics

Light of Day wants to embody a similar dream, but it pulls its punches. You will be rewarded with a deep appreciation of the awful lessons of those times.

Director told him that he had to play an ordinary man and that his current body would be completely wrong for the character.

The Cold Light of Day (2012)

Philadelphia's Low Cut Connie tears it up on the Paramount Stage with a theatrical show that recalls the best of '70's style arena rock. This is such a particularly powerful story because it is told through their voices. After his family is kidnapped during their sailing trip in Spain, a young Wall Street trader is confronted by the people responsible: intelligence agents looking to recover a mysterious brie.

The Cold Light of Day (2012)

Others, who looked more Aryan, risked their lives using forged documents to be couriers, assassins, smugglers and spies.

What began as a single concert in New Jersey has grown into approximately seventy shows in thirteen countries on 3 continents including North America, Europe and Australia! Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. A pair of siblings must choose whether to pursue their dream of touring with their rock band or support their family and stay in Cleveland, Ohio. Just a note to let you know that I appreciate the time you took helping me find a light that would fit in the very tight area at our property.

Light of Day Foundation

The author's pioneering research brought these women to life for me, as I marveled at their skills and courage.
