Lemmatisation The headword as lemma was determined in the following way. They provide the frequency corpus in a tab-delimited format allowing users the flexibility to process the material for their own research purposes. Second, frequency data contained in frequency dictionaries should never act as the only information source to guide a learner.

**Ajia no enerugī shōhi kōzō no jittai haaku to chikyū kankyō ni kansuru kongo no kadai ni...**

As predicted, there is a difference in the word distribution between the APS and SPS samples. Many examples show inflected forms of the entries, which might look slightly confusing for beginning-level learners of Japanese.

**Jidō gyakutai : kazoku rinshō no genba kara = Child abuse, seen from family therapeutic viewpoint...**

We therefore feel that it is quite timely to publish this title as part of the Routledge Frequency Dictionary series. REASON I don't have money so I can't travel abroad. This is the same way that most Japanese dictionaries treat headwords.
