### Isaac Sprague biography and botanical illustrations

Nothing but the apparent impossibility of including the whole within the covers of a single duodecimo volume, and the assured expectation that it will immediately be given to botanists in another way, has reconciled me to the exclusion of this important contribution. We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves.

### Silique: Definition with Silique Pictures and Photos

If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. Synoptical Flora of North America.

### **Nymphaea**

Bulletin of the Torrey Botanical Club, March 1888, p. Gray was one of Darwin's strongest supporters in the American scientific community; he was also a Presbyterian and discussed questions of natural theology, design and teleology, including an earlier version of Chapter 3 of this book, with Darwin by letter over several years.
