Real Estate Attorney v. Securities Attorney: What's the Difference?

Peter has been named a Rising Star by Super Lawyers Magazine for six years in a row. The revised Part 10 only affects the filings of general securities offerings which shall be filed with the Investor Protection Bureau. This allows the tokens to stand on their own merit as investments, without regard to the creditworthiness of the developer.

Real Estate Attorney v. Securities Attorney: What's the Difference?

The Securities Act of 1933 increased enforcement of antifraud regulations in securities trading, as well as required securities investors to be informed of the inherent risks in their investments. Once you have a signed purchase agreement, you should hire your Securities attorney to help you structure your deal and draft the appropriate offering documents. An example would be a general partnership on a syndication.

Guide to Tokenizing Real Estate: What, Why and How

Setting this up wrong can cause you, other members of your management team, and your investors a lot of extra work and hassle. Joe Fairless and Trevor McGregor are ready to pull back the curtain to show you how to get into the game of apartment syndication. Where should they be licensed? Understanding the syndication model is beneficial for passive investors especially first-time investors.

Guide to Tokenizing Real Estate: What, Why and How

More than 100,000 people have already invested in the business and numbers are probably going to escalate further. Having the right Securities attorney on your team can help you stay on track to a trouble-free, long-term syndication business.

What is Syndication?

An SPV can be a trust, limited partnership, corporation, limited liability company, or other entity, each of which has its own advantages and disadvantages.
