## CLAAS shows growth in a year of crisis

The new sales centres in France and the United Kingdom were launched, offering additional options in terms of service and after-sales business. At the Le Mans, France, tractor plant, state-of-the-art production technologies have greatly increased flexibility and efficiency.

## Farm Radio International

Restraint and moderation, rather than agitational language and partisanship, are the hallmarks of the paper. Pre-tax earnings rose to e 158m previous year: e 136m; the free cash-flow achieved a substantial turnaround into the profit zone with e 308 previous year: - e 138m.

During production shutdowns of several weeks at nearly all of the production sites, extensive preparations were made to ensure that production could be restarted as soon as possible. Thanks to the high dedication of staff and a close-knit logistics network, the supply to customers was maintained as best it could be.

## Farm Radio International

Peter Kakanji brushes his teeth, using bristles of a stick as a toothbrush. It is an independent newspaper in the real sense of the term.

## Farm Radio International

At Harsewinkel, Germany, the first phase of the major modernisation project in the sphere of combine harvester assembly was completed.
