**Parent/Child**

Chicago, IL, Moody Press Financial Debt-Proof Living. SST is supposed to help children develop those skills that are most severely affected and at the same time most crucial for developing relationships with others.

**Skills training for children with behavior disorders : a parent and therapist guidebook**

Surviving the Death of Someone You Love, Aldrich. The therapist assessed whether SST was indeed appropriate for the child and the child and parent had the chance to receive more information on the training. Many charts and illustrations are provided to aid in implementation of the skills training procedures.

**Behavior or Conduct Problems in Children**

Downers Grove, IL: InterVarsity Press Dimensions of Forgiveness. This book would be especially useful in planning a parenting program since the author provides instructional methods and goals for each topic covered. Owens G, Granader Y, Humphrey A, Baron-Cohen S: LEGO therapy and the social use of language programme: an evaluation of two social skills interventions for children with high functioning autism and Asperger Syndrome.

**Skills Training for Children with Behavior Problems: A Parent and Practitioner Guidebook, rev. ed.**

In that case, they also invest their time, so information is needed on the added value of their participation for the efficacy of an SST and generalization of learned skills.
