Stephen O'Connor, Orphan Trains: The Story of Charles Loring Brace and the Children He Saved and Failed Boston: Houghton Mifflin, 2001. Cross-Disciplinary — this volume brings together the divergent perspectives, methods and findings of scholars from a variety of disciplines, among them educational psychology, developmental psychology, school psychology, social psychology, psychiatry, sociology, and educational policy.

### Children and Youth in Adoption, Orphanages, and Foster Care: A Historical ...

Topical coverage ranges from theoretical foundations to investigative methodologies and from classroom-level influences such as teacher-student relations to broader influences such as school organization and educational policies. For example, do the nurturing father and biological father have a moral responsibility to maintain contact with each other, so the child has access to potentially lifesaving medical information that was not known at the time of conception but emerged later? Robert Klose, Adopting Alyosha: A Single Man Finds a Son in Russia Jackson, MS: University Press of Mississippi, 1998.
