BADMINTON BASICS

Lets may occur because of some unexpected disturbance such as a shuttlecock landing on a court having been hit there by players playing in adjacent court or in small halls the shuttle may touch an overhead rail which can be classed as a let. As early as 1860, a London toy dealer named published a booklet entitled Badminton Battledore — A New Game, but no copy is known to have survived.

Badminton

Expert players prepare for many different strokes that look identical and use slicing to deceive their opponents about the speed or direction of the stroke. Different racquets have playing characteristics that appeal to different players.

How to play badminton: rules, scoring system and equipment

Experienced players will be aware of the trick and cautious not to move too early, but the attempted deception is still useful because it forces the opponent to delay their movement slightly. This is used to deceive opponents.

badminton

The other coloured lines denote uses for other sports — such complexity being common in multi-use sports halls.

badminton

Moreover, frequent smashing can be exhausting in singles where the conservation of a player's energy is at a premium.

Badminton

Badminton was a demonstration event at the and. The net posts are placed over the doubles sidelines, even when singles is played. There is also a doubles service line 0.

BADMINTON BASICS

Badminton Basics Badminton is a racket sport played on a court that is divided by a net.

badminton

If the net shot is tight and tumbling, then the opponent's lift will not reach the back of the court, which makes the subsequent smash much harder to return. A game is played to 21 points, provided that the winner has at least a 2-point advantage. At the start of the rally, the server and receiver stand in diagonally opposite service courts.
