9 Ways to Keep Safe on Your College Campus

Pack some lotion along with your personal safety device of choice. Every school has a campus safety or security office—part of your tuition funds it.

9 Ways to Keep Safe on Your College Campus

Rebecca is the lead safety reporter and in-house expert for SafeWise. I have found this book very helpful in preparing treatment plans and sensory diets.

Take Five! Staying Alert at Home and School by Mary Sue Williams

Others need sound — soft music, rock music, rhythmic drumming, or the sound of rain or ocean waves. Teachers, therapists, and parents will love the quick movement breaks and other suggestions to expand their repertoire of self-regulation strategies. I got both on the recommendation of a friend to help my son who has sensory integration issues.

Take Five! : Staying Alert at Home and School by Mary Sue Williams and Sherry Shellenberger (2001, Spiral) for sale online

Still others need to do something physical before they do something mental. I use the Take Five: Staying Alert at Home and School for designing treatment plans in a variety of settings.

Take Five

Many therapists recommend these low budget, easy to use activities.

Take Five! Staying Alert at Home and School

Face coverings are still recommended thanks to new COVID variants,.

Fun Ways to Stay Alert

Staying Alert at Home and School. This book does not teach children about their engine levels, but it is organized around the five ways to change how alert we feel. Vaccine certificate scans Criminals will be using the opportunity to target people with fake Covid certificates and passports.

Take Five! Staying Alert at Home and School

I highly recommend this book! Many therapists recommend these low budget, easy-to-use activities.
