### Nihil Obstat a Imprimatur (TLIG: Svědectví: Pohled Církve)

It is forbidden for anyone other than the members of the synod of bishops of the patriarchal Church to be present in the room during the election of a patriarch, except those clerics who are admitted as tellers or secretary of the synod according to the norms of §1. They are not crimes, right? Rare are those who attempt to interpret them as symptoms and signs of a broader experiment '-- as any serious political analysis would require '-- in which what is at stake is a new paradigm for the governance of men and things.

### Nihil Obstat (TLIG: Svedectvá: Pohl'ad Cirkvi)

Cunningham finished his questioning of Hemje by asking whether there ever was evidence at any time during the investigation to show Bari to be a suspect in the case.

### Nihil Obstat a Imprimatur (TLIG: Svědectví: Pohled Církve)

The pastoral council is to be so established that, insofar as possible, it represents the Christian faithful of the eparchy in regard to the types of persons, associations and other endeavors.
